

## Adjunct Solutions - New Name, New Look

Our look is evolving along with our clients. Today, we are introducing a new name and new look to better reflect our mission - to deliver high calibre talent that specifically fits our clients' needs.

We understand that your most important asset is having the right people on your team. Recruiting the right talent should not be a game of chance and we have built a reputation for helping leaders secure the right talent for difficult-to-fill roles.

Let us help you recruit outstanding talent into your organisation in the most efficient, and cost effective manner first time, every time. Contact us on:
